MEMORANDUM FOR:

25X1B

SUBJECT:

Reproduction of Selected

25X1B

1. This memorandum is written at your suggestion on the basis of our conversation of 3 December, 1954, and will serve as a record of our understanding of the conditions under which the reproduction

25X1B

2. It is understood that permission to reproduce these files constitutes an extraordinary concession subject to modification and that the following limitations apply:

- A. The reproduction will be made on an experimental basis and is not undertaken as a permanent procedure.
- B. The permission to accomplish this reproduction does not constitute a precedent for the granting of further requests of a similar nature in the future.
- C. We agree under no circumstances to release in whole or in part the information obtained by this method to any other agency of the government in accordance with the "third agency rule", to respect the confidential nature of the material, and to maintain its security classification according to appropriate regulations.
- D. It is understood that the material is to be used exclusively for the purposes explained to you previously which are operational and highly sensitive in nature.
